Ethelbert, Lilian Marshall and children Kenneth, Pearl, Douglas and William

My dad, Kenneth Marshall, was born in Linton and I have done a bit of family tree stuff and found out his grandmother remarried a Thomas Bramford - does anyone have any information related to this?

Kenneth had two brothers, Douglas Marshall and William Marshall, and one sister Pearl Marshall. His parents were Ethelbert and Lilian Marshall. I know the family were there a few years ago because Bill was going to take my father, Kenneth, to meet them and I think he said they owned a newsagents. I am trying to do more on my family tree so any information would be gratefully received.
