Phyllis Gordon Williams

Name of person trying to track down is Phyllis Gordon Williams a teacher at the (possibly an art teacher):

County Secondary School
Cantilupe Road
Ross on Wye

This was the address she wrote down.

She was at teacher there at least 1951 /1952
1952/1953 academic year.

Williams was her maiden name. She had been married with children so unsure whether she used her married or maiden name in school.

It likely that she would have been round 41/42 in age.

She lived at 21,Green Street
Hereford.

I am hoping that I may be able through the school connection to obtain a photo of her and any other information anyone can offer me.
I would be interested to know who the head teacher was at the time and any other members of staff.
