RYALL family, coach builders

The Ryall families were coach builders in the mid 1800's in Ross-on-Wye. Streets they lived on were Over Ross St, Brookend St, Dock, New Street and 'Batt's Gardens'. If anyone has links to the families or any information on the business I would love to hear from them.

The BARTON family through Benjamin and Susannah RYALL's daughter, Clara Caroline, are my line of descent.
